## Application for a Grant from the Anglo-Israel Archaeological Society

The Anglo-Israel Archaeological Society was established in 1961 by Dr Richard Barnett, Dr Alec Lerner, Professor Yigael Yadin and Leon Shalit.

In 2010 the Society will offer **either** a grant of up to £1,000 to assist a postgraduate student of archaeology with his or her research in Israel **and/or** a limited number of travel grants to students of archaeology who wish to excavate in Israel.

I enclose/attach a form for you to fill in when making your application to the Society. Please either address this to:

The Executive Secretary  
Anglo-Israel Archaeological Society  
2nd floor, Supreme House,  
300 Regents Park Road,  
London N3 2JX

or, for preference, please e-mail it to: [sheilarford1@sky.com](mailto:sheilarford1@sky.com)

**THIS FORM SHOULD REACH THE EXECUTIVE SECRETARY  
BY FEBRUARY 19th 2010**

Applications received after this date will not be considered.

Please note that we cannot process any application without two suitable references (see the form for details.) These can be e-mailed to the Executive Secretary and, in addition hard copy of the reference should be sent to the address above.

Grant applicants must be studying in the UK at the time of their application.

If a grant is offered and accepted, but subsequently the project does not materialise, would you please return the grant as quickly as possible. This will not affect your status for applying again for a similar, other project. If the project is carried out, it is a condition of acceptance that a short report of about 500 words should be submitted for possible inclusion in the Society's *Bulletin* by the end of December of the year in which the grant is used.

Yours sincerely

Sheila Ford  
Executive Secretary
